There are so many uses for grocery totes. Trade Show and Expos come to mind first, but one SERVPRO® Franchise donates them to the local food bank for Thanksgiving food basket (bag) donations. Think of the positive coverage that gets in your community. These also make great displacement bags. You can leave a bag filled with essentials with the local fire department or insurance offices to pass out when a homeowner is evacuated from their home. With the use of these type bags becoming more and more widespread, your exposure grows each time the recipient shops.

In addition to the items included in this bulletin, **Best Business Systems** offers many additional items that are great for your promotional needs.
