Why should you order early? By ordering early, not only do you get better pricing, but you guarantee your delivery in September with plenty of time to hand them out before they go into effect in November. Every year, BBS gets calls in October, November, and December with customers wanting calendars. Because this is the busiest time of the year for the plant, orders typically will take 4-6 weeks for delivery. If you are going to order them anyway, order early and avoid the delay. BBS does not bill you until they ship, so order now and pay in September when you receive your calendars.

**Best Business Systems will place orders to ship in September or sooner. Ordering now guarantees you get your products in hands as early as you would like them. If you are interested in purchasing any of these items, please call BBS at 1-800-995-3129 or email at [lynn@bestbusinesssystems.com](mailto:lynn@bestbusinesssystems.com).**

Orders must have proof approval prior to deadline to qualify for early order discounts.
